

The 3rd ACSEL

ACSEL2016

Theme: Networking safety communities, Promoting research safety culture

Thursday, July 14, 2016	
8:30 AM	Registration
9:00 AM	Opening ceremony
9:20 AM	Keynote talk 1: Dr. Jennifer Schomaker (U of Wisconsin-Madison, USA) "Safe Science: Promoting a culture of safety in academic chemical research"
10:10 AM	Coffee break
10:30 AM	Risk perception & EHS education Moderated by Prof. Yoshiko Tsuji (The Univ. of Tokyo, Japan) Keynote talk 2: Prof. Hitoshi Yamamoto (Osaka University, Japan) "Knowledge integration for lab. Safety in University – Possibility of risk assessment as educational tool" Prof. Myoungsoon You (Seoul National University, Korea) "Risk perception and safety behavior" Prof. Supawan Tantayanon (Chulalongkorn University, Thailand) "Chemical Safety in Laboratory at Chulalongkorn University" Mr. Danny Toh (National University of Singapore) "Harmonization of EHS education between NUS and MIT" Ms. Gisela Ho (National University of Singapore) "Safety and Health Officer Training and Development Framework"
12:30 PM	Lunch with poster presentation
2:00 PM	Improving safety management for higher risk groups in laboratory Moderated by Prof. Fatma Lestari (Universitas Indonesia) Keynote talk 3: Prof. Aree Moon (Duksung Women's University, Korea) "Laboratory Safety Management for Women Scientists" Prof. Fatma Lestari (Universitas Indonesia) "Implementation of Occupational Safety & Health Management System for Laboratories at Universitas Indonesia" Ms. Cindy Joo Eng Goh (SingHealth IBC Office, Singapore)

	"Importance of site-specific work activity risk assessment: lessons learnt from incidents and near misses"
3:30 PM	Coffee break
4:00 PM	<p>Panel discussion on the roles of safety management networks Moderated by Mr. Gunaratnam s/o Saravanan (National University of Singapore)</p> <p>Keynote talk 4: Mr. Michael Flannery (AUSA, Australia) "THE ROLE OF HUMAN FACTORS INVESTIGATION IN IMPROVING SAFETY IN LABORATORIES" Prof. Shizuaki Murata (Nagoya University, Japan ACES) "International and Domestic Cooperation on Safety Education in Nagoya University" Prof. Jeongim Park (SoonChunHyang University, KALSE) "KALSE since 2003 and the way forward" Mr. Gunaratnam s/o Saravanan (National University of Singapore) "Panel discussion on the roles of safety management networks"</p>
6:00 PM	Vendor exhibition / poster presentation
6:30 PM	Banquet dinner

Friday, July 15, 2016	
8:30 AM	Coffee break
9:00 AM	<p>Safety culture as a result of safety management Moderated by Dr. Eun-Ah Kim (Korea Research Institute of Chemical Technology)</p> <p>Keynote talk 5: Dr. Sara Guediri (U of Manchester, UK) "How leaders shape safety culture in research environments" Prof. Yong Ho Park (Seoul National University, Korea) "A strategy for integrating safety management systems in universities " Mr. Rendell Tan (Singapore Institute of Technology) "Team Approach Towards System Safety in Labs, Enhancing Safety Culture"</p>
10:30 AM	Plenary discussion with summary presentations from each session
11:30 AM	<p>Closing ceremony</p> <p>Awards & Acknowledgements Closing talk: Prof. Ikmo Lee (Chair of ACSEL 2016) Invitation for ACSEL 2017: To be determined</p>

	Closing remarks: Dr. Youngman Kim (President of KALSE)
afternoon	Optional tour or site visit to Jeju National University
